

What was left of the wrecked machine was taken into the Armory yesterday afternoon and prepared for transportation to San Diego. The big eight-cylinder Curtiss engine is almost worthless.

TUSTIN NEWS ITEMS

Return From Mono Lake
Mr. and Mrs. Jasper Leck have just returned from a trip to Mono Lake, Mono county, Cal. They went up to investigate and file on some wonderfully rich government land surrounding the lake. These lands are called desert lands and can be taken up under the desert act, but without water they are worthless. The Rusa Creek Mutual Ditch Co. has commenced work on an irrigating ditch to carry the water to the lands that need it. Mr. and Mrs. Leck had a delightful trip, visiting a number of ranchers living around the lake. In Rush Creek and the glacial lakes above, they had a day of splendid trout fishing. They report the country as being wonderful from a scenic standpoint; a combination of beautiful mountain lakes, snow-capped mountains and glaciers; forests of bull-pine, volcanic craters and vast expanses of land.

A party composed of Geo. Harris and brother, of Trabuco canyon, Dr. M. Burlew and A. N. Cox from Santa Ana, will start on Saturday, May 10, on the same trip to Mono Lake with a view to purchasing. Anyone wishing to go may join the party.

Cutting Asparagus
Down on the Irvine alfalfa ranch as hands are busy every day cutting asparagus. Twenty or thirty boxes a day are being cut, averaging 30 pounds a box.

Planting Trees and Beans
C. M. Halderman is getting the ground ready to set out fifteen acres to Valencia and lemons at his place on Irvine boulevard. In the same neighborhood A. D. Turner and C. D. Brown are planting a number of acres to beans.

Water in a New Well
Mr. Zimmerman's new well out on the Irvine boulevard just this side of Red Hill is progressing fine. They already have about one hundred inches of water and the indications are that he will have water to furnish others, besides enough for himself.

Boys' Patrol
The Boys' Patrol will hold a meeting next Friday night at the home of George Prather on Laguna avenue. These boys do not consider themselves a regular Boy Scout Patrol, but under the supervision of Wm. Jones have been studying those tactics and have the Boy Scout ideals in view. They have been asked to demonstrate some of their knowledge in that direction on the occasion of the Presbyterian Sunday school picnic on May 24.

Tustin Boys in Track Meet
About twenty boys from the Tustin school fifth, sixth, seventh and eighth grades are to take part in the Orange County Triangle League track meet, which is to take place at Lincoln Athletic Field, Santa Ana, this afternoon.

Apricots Are Few
The apricot season is drawing near, but there are not so many in evidence. It must have been the late little frosts, as here and there in places they are a little more abundant. Some report about half a crop.

SOCIETY AND CLUBS

Literature Section

The Literature Section met last Tuesday with Mrs. J. W. Hubbard. Miss White gave a talk on the Balkan war and the most of the afternoon was devoted to this subject.

In beginning the new fiscal year it was decided to take up the study of articles in the World's Work. The rest of the course of study has not yet been arranged. Each member of the class was asked to give suggestions. Mrs. Hubbard served some dainty refreshments following the studies of the afternoon.

Clubs to Meet

The Tustin Twelve will meet next Tuesday afternoon with Mrs. Fred Morehead on Seventeenth street.

The Coreopsis Club will meet next Wednesday afternoon with Mrs. Rawlings.

To Attend Convention

A number of the members of Wisteria Lodge, Pythian Sisters, who are eligible, and the K. P.'s also, are going to attend the Grand Temple convention to be held in San Diego May 19 to 25.

Meeting of the D. W. T. Club

The D. W. T. Club held its meeting with Mrs. John Keiser last Friday afternoon.

In the future their meetings will be held regularly every two weeks. It is composed of about fourteen members. Twelve were present on this occasion, as follows: Mesdames Wm. McLaughlin, Harry Kendrick, Mina Holderman, Margaret Holderman, Daisy Bolyard, La Veta Lacey, Elizabeth Halderman, Julia Griset, Claud Martin, McDonner and Keiser, and Miss Edith Stearns. The next meeting will be held with Mrs. McLaughlin.

Bible Class and Mission Study

The Women's Borean Bible Class of the Presbyterian church held its regular monthly business meeting at the church Wednesday afternoon.

With the president, Mrs. Marshall, in the chair, the meeting opened with a song in which the class joined, followed by scripture reading by Mrs. Dryer, after which the class joined in the Lord's prayer.

The treasurer's report was called for, read by Mrs. Hatfield, and received. Upon the arrival of the secretary, Mrs. Pollard, the minutes of the previous meeting were read, followed by reports from membership and social committees. Questions of old and new business were discussed and settled.

The progress of the work of the Home Department was considered and instructions were given to each of the workers in that department after the best methods had been determined upon for securing new members and carrying on the work.

At this juncture several additional ladies gathered in who are members of the Mission Study class, which was inaugurated at the last meeting of the Bible class. Mrs. H. A. Allen was called upon to offer prayer in beginning this study. The Mission Study class now numbers nineteen, and the eager enthusiasm with which this first chapter of "China's New Day," in answer to questions assigned, showed quite an intensity of interest.

These women, some of them of mature judgment, almost seemed to feel like school girls again and the questions were being prepared for examination day. They all agreed among themselves that the study of China at this period would prove a very interesting one and they earnestly hope that it will enable them to more intelligently help in sending the gospel to China.

A social hour was then enjoyed by all those present. A letter had been received by the teacher, Mrs. Eells, from a former member, Mrs. J. S. Spence, now of San Ysidro, Cal., written to the class to be read at this meeting. She sent greetings from her new home, where she is having a new house built and starting a ranch.

The hostesses for the afternoon, Mrs. Chas. Eells, Mrs. L. A. Cock and Mrs. Geo. Hatfield, served delicious cake and fruit drink and thus a very delightful afternoon was spent.

W. C. T. U. Meeting

The Tustin W.C.T.U. meeting Thursday afternoon was held with Mrs. W. L. Shatto, the president, who opened the meeting by reading the 11th chapter of Ecclesiastes. Mrs. Thomas was called upon and offered a very earnest prayer, especially for those who now have sickness in their families.

Two stirring temperance songs were sung and the roll call was responded to with a verse of scripture by most of those present.

The minutes of the last meeting were read by the secretary, Mrs. Ebel. The banner which was won by the Tustin union two years ago for casting so many prohibition votes was brought into the meeting. This banner is of gold colored satin with a hand-painted picture in the middle representing two trees. On the left a tree planted in the soil of ignorance, bearing the fruit of vice, crime, child-labor, starvation, suicide, and murder. The tree on the right is planted in the soil of Christian enlightenment bearing the fruit of brotherly love, honesty, home comforts, good will, golden rule, peace. The banner is to be used at the state convention to be held at San Bernardino next week. The delegates to be

The Car Selected by the Orange County Highway Commissioners in Competition with All Other Makes

The greatest difference in popular priced cars is the difference in price. And this difference is due to the difference in factories and facilities.

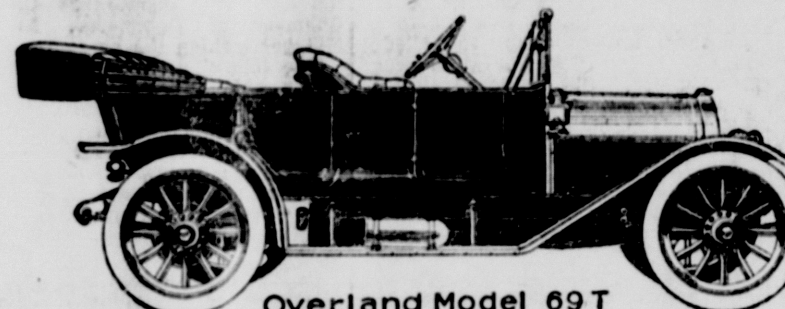

There is over \$3,000,000 worth of the most modern automatic machinery in the Overland factories. Such equipment as this makes it possible for us to sell the average \$1400.00 car for \$1130.00. There is one department which does nothing but take out and sell machinery replaced by more improved types. Let this simple arithmetic sink in: The installation of new machinery costing \$100,000 means \$20 per car to a maker of 5000 cars; to the Willys-Overland Company, it means but \$2.50.

Think that over and you will realize why the car described below is possible. Call and see this car today.

sent from the Tustin union were instructed in the part they are to take in the convention.

Mrs. Shatto, the president, will not be able to go. Mrs. E. W. Blew and Mrs. J. C. Stearns are going as delegates.

A letter was read from R. J. Hamilton, county Y.M.C.A. secretary, expressing thanks of the teachers and pupils and officers of the Orange County Triangle League to the organizations which have donated banners and cups this year for the work of the League. Some tickets to the county track meet Saturday afternoon were enclosed in the letter.

Mrs. Rawlings then made some suggestions about trying to get more members in the Tustin union and advised following Anaheim's example, where one hundred new members were added in consequence of two members challenging the rest of the union.

There was a discussion of the best methods of obtaining new members and it was decided to hold a similar contest in the Tustin union. Mrs. Brown and Mrs. Rawlings were selected as captains and proceeded to choose their helpers in a contest for the greatest number of new members. The side getting the smaller number of members in a given length of time is to give a banquet to the side getting the greater number.

An article was read from Elbert Hubbard on Temperance. Mrs. Smith spoke of the experience of Jack London, an habitual drinker, and his appeal to the women of California to do all they can to stop the liquor traffic. An article was then read about Bryan's dinner given toward the side getting the smaller number of members in a given length of time is to give a banquet to the side getting the greater number.

The meeting Thursday afternoon should have been a mothers' meeting, and there were several young mothers present. Owing to the illness of the leaders the program could not be carried out. However, Mrs. Shatto's attractive home, and the rooms where the meeting was held were made more so by decorations of sweet peas and pink cochet roses.

The subject for the next meeting, which will occur May 23, will be "Temperance Legislation," and will be led by Mrs. Ella Brown.

Coming Picnic

A picnic on the lawn at the Presbyterian Manse will be held Saturday afternoon with a Weiner roast and supper. The object will be threefold. A farewell will be tendered Miss Inez Phinney, who is to be away from home for several months; a reception given to Miss Prunty as the new president of Christian Endeavor, and the boys will be asked to

make a tennis court on the lot adjoining the manse. While the boys are doing this the girls will prepare the supper.

It is hoped that as many Endeavorers as possible will go to the Orange County Endeavor picnic to be held on the 17th, in Santiago canyon. It is especially important for those going to the great international convention in Los Angeles, July 8 to 14. An Orange county song is to be learned and an Orange county yell.

Music Recitals
Mrs. G. F. Andres is to have a piano recital next Saturday afternoon at 2 o'clock at the home of Mrs. Mary Squires, 408 Pine street, Santa Ana.

The violin pupils of Prof. G. T. Andres are now preparing the various solos and other numbers for a final recital to be held the latter part of this month, the date of which will be announced later.

Sunday School Picnic
The picnic of the Advent Christian Sunday school last Saturday at Orange County Park was one highly enjoyed by a large number of the Sunday school. It was said to be the finest picnic ever held, and everybody enjoyed their dinner, seventy-five persons sitting down to the table with the pastor.

Sunday School Class Meeting
Mrs. Sharpless' Sunday school class held its business meeting with Miss Alice Matthews last Tuesday night. Those present were Mrs. Sharpless, Mrs. Grant Holderman, Misses Crittice Young, Blanche Prunty, Viola Nelson, Edith Stearns and the Misses Matthews.

The six months' contest for good attendance has now expired, and arrangements were made for the banquet to be given by the losing side to the winners. After all business was disposed of, a very pleasant evening was spent with music on the phonograph and refreshments of ice cream and cake.

Birthday Dinner
A very enjoyable little birthday dinner was given to Miss Edith Higgins last Monday night by her aunt, Mrs. Hubbard. Mrs. Hubbard is visiting the Higgins family in the absence of Mr. Higgins, who is away from home on a visit in Santa Barbara.

The following young ladies were present: Misses Wilhelmina Bennett, Ruth and Jessie Rawlings, Dorothy Utt, Mabel Logan, besides Edith Higgins, for whom the party was given. The girls were taken out in a bunch by Mr. Higgins and he saw them safely home again. They played a good many amusing games interspersed with impromptu speeches, and everybody sang and played on the piano. A regular dinner was served.

Theater Party
Misses Louise Long and Ethel Doherty spent last Saturday in Los Angeles. They were joined in the afternoon by Miss Olive Doherty and a theater party from South Pasadena and went to see Maud Adams in Peter Pan.

In Spelling Contest
The Tustin school is going to be represented by a boy and a girl of the seventh grade and a boy and girl

of the eighth grade, at a spelling contest to be held on Saturday afternoon at the Santa Ana high school building.

The members of the eighth grade are now preparing for the graduating exercises at the end of this term.

THINK VERY HARD ABOUT THIS

One of the leaders of the Progressive party in Ohio is John D. Fackler, a Cleveland lawyer. Mr. Fackler's office is in the Williamson building, and paying rent every month has given a practical application in his own case to an idea which he expresses thus:

"Who made the value upon which the Williamson Building stands? The value of this land, which sold in 1820 for \$477, has grown to over \$700,000, yielding its owner clear of all tax a net revenue of \$28,000 a year."

Mr. Fackler thinks that increase in value from \$477 to over \$700,000 wasn't due to any peculiar virtue in Mr. Williamson (if that is the owner's name), nor to any contribution which Mr. Williamson made to the public welfare. Mr. Fackler thinks the increase was made wholly by the people of Cleveland, and he thinks the people in Cleveland, in the future at least, ought to get a portion of that which they make themselves. So he has started a movement to amend the Ohio constitution to provide for an "increment tax."

Now the increment tax provision simply says to the landowner: "We will value your land exclusive of improvements on January 1, 1915. If after that date the population of the city grows, and adds more to the value of your land, the community which creates the value is going to insist on a share of the profit which it produces for you."

Farm property, valued at the present time under \$200 an acre, is exempted from the provisions of this increment tax.

Every city dweller in the United States who pays rent ought to read this paragraph over again and again until he understands it thoroughly.—Collier's Weekly.

THE SPEEDING MOTORCYCLE

The public highways harbor an incongruous array of vehicles, whose purposes, methods, and characteristics are more or less hostile to each other, and inclined to infringe on each other's position in the road and on the rights of the pedestrian.

In past years the motorcycle type of vehicle has been about as obnoxious as any of them, by reason of its sharp and resounding clatter, and the speed with which its riders have dodged in and out of public thoroughfares, scaring horses and making pedestrians jump. The newspapers report some accidents this spring from the reckless use of these machines, and the riders thereof should consider their responsibility toward the public.

The early type of motorcycle was particularly objectionable by reason of its nervous and explosive chugging, which must have been more alarming to horses than the more leisurely throb of the motor car. The first motor-cyclists were a set of sharp-faced fellows with constitutional objections to speed limits. While the ordinary person would hate to make himself conspicuous by driving such a hoisterous contraption through a town, they seemed to enjoy the publicity which their noisy speed-maker gave them. Later types of these machines see into have handled the noise problem pretty successfully. But such a machine, capable by its power and small size of threading its way at high speed between larger vehicles and in and out of crowded streets, has serious possibilities of damage. They are largely ridden by young men, who may or may not have the caution that goes with more mature experience. A few seconds cut off their speed ought not seriously to interfere with their happiness. It might save a serious or even fatal accident for heedless children or decrepit old people.

of the Nation

WASHINGTON, May 10.—The South-

ern Society's annual rally at which

hundreds of Washingtonians and vis-

itors here who claim Dixie as their

home will attend, will be held here to-

night. In a way it will be a real old

"Down South celebration" of the re-

turn of Democracy to control of the

presidency and the house and senate.

Many of the best known Southern

members of congress will speak.

Foremost on the program of speak-

ers are Senator Ransdell of Louisiana;

Thomas Nelson Page; Senator John

Sharp Williams of Mississippi; Con-

gressman Richard P. Hobson, and

Postmaster General Burleson. Claude

N. Bennett will deliver an illustrated

lecture on the South, showing the

wonderful commercial and agricultural

development of that section of the

country during the past two decades.

Representative Hobson's topic will

be, "The South and the Nation."

TUSTIN AND LINCOLN IN

BASEBALL STRUGGLE

[By Nettie Crutchfield]

As the baseball season is drawing

to a close the boys are playing with

more pep and gusto than ever be-

fore. The game played at Tustin was

one of the best, as well as one of the

hardest games of the season. As the

game progressed the teams kept very

close together and it was difficult

to tell just how the score was coming

out, but as usual the Lincoln team was

there with the goods and the final

score was 8-7.

Another game was played with Jef-

ferson but it was not the interesting

game and will win out in the end. The

boys had an easy victory, they having

DAY NURSERY REPORT

Appreciation Voiced of Gifts to Day Home For Little Children

The Day Nursery often receives inquiries in regard to nursery stock, or orange trees, rose bushes, etc., etc. The latest is a letter from a Los Angeles firm offering to sell 450 budded trees at a certain price.

We wish to thank the following kind friends for clothing: Mrs. A. J. Finley, Mrs. L. C. Wollenberry, Mrs. Robertson, Mrs. S. W. Stanley, Mrs. Hogue, Mrs. Gephert, Mrs. F. Remberg, Mrs. Hickox, Mrs. D. Preble and Howard Remshall; for a baby cab, Mrs. Chas. Prince; cake, sandwiches and fruit from Y. P. S. C. E. of Baptist church; candy, St. Elizabeth's Guild, Episcopal church; a book that has long been desired, called "Happy Sundays With the Children," by Mrs. G. G. Smith, the Day Nursery's Good Fairy; candy, cookies and cake from the Congregational Church Cradle Roll; scrap books, Mrs. G. S. Wilson; peanuts and popcorn from Luke Stroble; milk, butter, bread, jelly and pudding from the Christian church Raisin Day dinner; cookies from Mrs. H. Rodgers; pies and an immense loaf of raisin bread, "Dragon," candy, Mrs. L. Peterson; scrap books, Raymond Dresser; bread, Mrs. M. Hayes; blackboard (much needed), Doris Hutchins.

Economics Meeting

The Fifth Section of the Household Economics Department of the Ebell Society met with Mrs. Ellis Smith of Tustin yesterday afternoon. After the roll call, a general discussion was held on "Canning, Pickling and Preserving." Mrs. F. H. McElree, the leader, read a most interesting article on the proper combination of food at a meal.

Mrs. Smith, the hostess, had arranged a short musical program for the entertainment of the Section as follows: Vocal solo, Mrs. J. C. Stearns; instrumental solo, Miss Ruth Lucas.

Refreshments were served by the committee for the afternoon, consisting of the hostess assisted by Mrs. Rittner, Mrs. Syster, Miss Mary Taylor, Miss Joe Tiede. The menu consisted of sandwiches, pickled figs, cake and fruit punch.

Mrs. Smith had decorated her home very delightfully for the afternoon with pink and white roses massed in brown baskets being used in profusion. White roses adorned the hall and pink roses were used in the living and dining rooms.

Young People's Social

The Christian Endeavor of the United Presbyterian church held a very pleasant social last evening at the home of Mr. and Mrs. W. J. Lindsey, 801 East Third street. Games of different kinds were enjoyed. A very unique way of serving refreshments was followed, the company being divided into groups, each group having a particular kind of refreshment, some serving salad, sandwiches, others candy, others popcorn, and so on through the list of eatables. Everyone present had a jolly good time.

A Complimentary Dinner

One of the pleasant informal affairs of the week was a dinner given Thursday night at the beautiful new home of Mr. and Mrs. George M. Loggins on South Sycamore street.

The affair was one of several pleasant courtesies that have been shown Mrs. A. Wareskjold, who is preparing to leave next week for her home in Oakland, Calif., after a visit here in the South of three months with her niece and sister, Mrs. J. William Sackman and her mother. Also, it celebrated the triple birthday anniversaries of Mr. and Mrs. Sackman and Mrs. Julia M. Osgood, which fall all on the one day of the month.

The six-course dinner was served at 6 o'clock and a large bowl of the center Cecil Bruner roses adorned the center of the table. The house throughout was decorated with huge bouquets of various kinds of the most beautiful roses, their mingled fragrance lending that sweet breath of spring. Covers were laid for nine.

The remainder of the evening was passed all too quickly in music and merry conversation.

ATHENA RECEPTION

One of Most Pleasant Events Ever Given by Popular High School Society

Last night in the lower hall of the High School building the Athena Society of that school gave its annual reception, and a pretty affair it was. Indeed it has been complimented as one of the most successful social events given by the Athena girls. Ferns were used in the simple effective decorations and pretty furnishings including a piano, gave the spacious room the look of a reception hall. Miss Joella Gowdy and Miss Shatto were the teachers present with about one hundred and fifty students, boys and girls, enjoying the pleasant evening.

A musical game opened the entertainment, the principal feature of which was a program under the management of Miss Alberta Black and Miss Elsie Wingood. The first number was "An Old Maid's Tea Party." The girls taking part were Misses Dorothy Seecombe, Helen Roberts, Alice Cranston, Ruth Hilliard, Ev. Hilliard, Hester Robinson, Elsie Wingood, Alberta Black. The girls were costumed as old maids and the playlet embraced a minute, a song and a tea party. The colors and combination in the costumes were elaborate and striking and the playlet was enjoyable. A reading, "Patsy," was given by Ruth Kohler, and a violin solo was rendered by Master Finley. A reading "Mrs. Wiggins" (in costume) was given by Clara Wilson, and was followed by a vocal solo, "Springtime," by Marie Harris. Then came a tableau in three parts, part first being what properly could be termed Early American Girls. This group included the Indian Maiden, Thelma Price; Puritan Maid (Christine Schenk); Colonial Maiden (Helen Carden); The Girl of '64, Isabelle Jayne; The Girl of '75, Irene Catland. The second represented The Girls of Today: The Winter Girl, Alice Cranston; The Summer Girl, Converse Nau. The third part portrayed "The Girl of 1920," Stella Nisson. All of the representations were clever, the costumes and posing good.

A progressive game and the serving of raspberry ice, cake and candy followed the program. Punch was served during the evening. Miss Estelle Nisson and Miss Lillian Walker presiding.

The singing of "Aloha," that sweet and plaintive Hawaiian melody, by all those present closed the delightful evening.

Y. M. C. A. Rally Sunday

A Y.M.C.A. Rally will be held Sunday afternoon at 2:45 in the high school auditorium. All young men are invited, and especially those attending the high school. The speaker will be Mr. C. A. Gummere, secretary of Los Angeles County Y.M.C.A., who is called by his Y. M. C. A. friends, "The Silver-Tongued Orator." The meeting ought to be very interesting. The singing will be in charge of Mr. E. J. Ruenitz, Group County Work Secretary of Southern California.

Bridge Luncheon

A dainty bridge luncheon was given yesterday by Mrs. J. I. Clark, her pretty home being almost a bower of beautiful Cecil Bruner roses, a wealth of these having been sent to Mrs. Clark by friends who knew she was entertaining yesterday. The floral beauties were massed in brown baskets giving the keynote to the color scheme of pink which was carried out wherever possible in the six-course luncheon.

In the bridge games played in the afternoon, Mrs. Charles Kelley took honors and first prize, with Mrs. John Tubbs winning second prize. Those who enjoyed the games as Mrs. Clark's guests were Mesdames C. M. Knox, W. A. Huff, W. E. Winslow, C. V. Davis, C. S. Kendall, Addie Collins, E. B. Trago, H. G. Lull, H. D. Connell, John W. Tubbs, Chas. Kelley, Maurice Yarnell.

Breakfast Guests

City Superintendent of Schools and Mrs. J. A. Cranston, Prof. and Mrs. E. H. McMath of Santa Ana, and Rev. and Mrs. Blew of Tustin were guests of Ernest Crozier Phillips at a 9 o'clock breakfast this morning at the Tustin home of the host.

MUSICAL ENTERTAINMENT

Concert by First Baptist Choir; U. S. C. Glee Club at Spurgeon Hall

A musically appreciative audience greeted the talented musicians who joined in a testimonial concert given last night at the First Baptist church for W. A. Benjamin, director of the choir of that church. Encores were numerous, many of them being responded to. The program was one of unusual merit and the leading musicians of the city were engaged in the entertainment. Mrs. James Willis Rice and Miss Zoe Glidden were the accompanists for the evening. The program is given below:

PART I
Organ Overture "Martha".....Flotow
"Hear Me! Ye Winds and Waves".....Handel
"Mr. Phillips"
Stude Opus 25, No. 7.....Chopin
"Mr. Gustlin"

"Mr. Phillips"
Spinning Song—"Flying Dutchman"
(by request).....Wagner-Liszt
"Mr. Gustlin"
Proceeding the playing of the last number Rev. Otto S. Russell read the story of the Flying Dutchman.

The singers of the U. S. C. Glee Club, singing here last night under the auspices of the Epworth League of the First Methodist Church last evening at the Spurgeon hall, scored not only a musical success but rendered the treasury of the League with a goodly sum.

The hall was well filled and the audience proved an enthusiastic one, singing numbers two and three times. The responses were generous. Every body loves to hear college boys sing, especially when they sing as well as to the students of the U. S. C. Glee Club. The chalk artists and monologue artists were exceedingly good and altogether the concert was a huge success.

Merry-Go-Rounds

Under the wide-spreading walnut trees Mrs. Jewett delightfully entertained the Merry-Go-Rounds with a lawn party yesterday afternoon. The old-fashioned knitting of our grand mothers' day was a subject discussed as one of the members of the club was learning the art.

Refreshments were served by the hostess' daughter from small tables bearing bouquets of beautiful roses. The club will meet with Mrs. Law on Durant street on May 22.

Kewpie Party a "Howling Success"

Because the babies were the guests of honor at a Kewpie party given yesterday afternoon by Mrs. Verne Bishop in honor of Baby Virginia Marshall Bishop being seven months old, it is perfectly proper and truthful to use the above title, for when a baker's dozen of babies, none past a year old, get together, it is quite sure there is bound to be some (?) howling. Nevertheless the babies were just as sweet and cute as could be and the pretty bisque Kewpie that was the presiding genius of the party, stretching its arms out benignly over the cunning youngsters as they played about seemed to thoroughly approve of their baby ways.

The babies were accompanied by their mothers who chatted between times when their attention was not demanded by the busy darlings who were on the floor playing with the toys and each other. As the babies ranged in age from three to twelve months, it may be imagined that the afternoon was a lively one for the young mothers.

Mrs. Bishop who has artistic taste, had arranged a charming environment for the little ones, using a profusion of the exquisite Cecil Bruner roses and white lilies to carry out a color scheme of pink and white, the dainty things being entirely appropriate for the dimpled tots playing about in sweet innocence.

When time came for refreshments Mrs. Bishop delighted the youngsters by giving them a plentiful supply of animal crackers and graham wafers. The mothers had ice cream and cake while the little ones feasted on the more simple fare.

In view of the fact that little Miss Virginia soon leaves Santa Ana with her parents who will reside in El Centro, her baby friends thought it would be nice to give her tokens of their love for her, so they and their mothers showered her with pretty little gifts. Besides Miss Virginia

Shirt-fest for Boys

Some stores are always advertising shirts for men but they overlook the necessities of the youngsters. We are going to change this because we know that we have the merchandise and that there is no reason why boys should not have a chance as well as their daddies.

Our enthusiasm with regard to our line of Boys' Shirts was originally founded upon the knowledge of the necessity of curing for the boys of this town in their shirt needs. The enthusiasm was added to by the line which we bought and have stocked after a very thorough investigation of the manufacturing market.

That we might obtain the best in quality—both of materials and workmanship—and be enabled to feature a line which has won for itself national distinction, we invited competition, and our decision, based upon our desire to give not only values but permanent satisfaction, has resulted in our securing the universally popular.

Hervey and Browning, ten months; Mrs. George Greer and Helen, thirteen months; Mrs. John McDonald and Katalyn, six months; Mrs. Merle Ramsey and Dorothy, six months; Mrs. Will Howell and Mary, three months; Mrs. R. At the Scott Home

Last evening about forty young people of the Immanuel Baptist church were delightfully entertained by Rev. and Mrs. J. H. Scott at the parsonage. The evening passed very quickly, as all were kept busy enjoying the interesting and instructive games that were provided. Refreshments of strawberry ice and cake were served.

Miss Irene Shallenberger, the new president of the B.Y.P.U., spoke of the evening being one of mingled joy and sorrow, as they all regretted very much that it was the last of the many good times provided for them during the past five years that Mr. and Mrs. Scott have occupied the parsonage. The young people also regretted that Mr. and Mrs. Harold Henrikson were with them for the last time before their departure for Providence, R. I.

They were all delighted, however, to have the new pastor, Rev. Wm. Thomas, with them and are looking forward to a profitable year working together for the master.

To Visit Sycamore Lodge

Sycamore Rebekah Lodge will have a distinguished visitor tonight, Mrs. Janie Bennett, president of the state Rebekah Grand Assembly, who is visiting friends here prior to the Grand Assembly convention next week in Los Angeles, will be present at tonight's lodge meeting.

Sunday School Picnic

The annual picnic of the First Presbyterian Sunday school is being held today in Orange County Park. The ladies and lassies with kodaks and suggestive lunch boxes and baskets were hurrying from all quarters of the town this morning at an early hour preparatory to starting for the scene of the annual outdoor festival. And the young people were not alone in their pleasurable "hurry-up" activities, as middle-aged and old were spied on their way to the meeting place for the grand start.

It goes without saying that the picnic was a successful one. Was ever a picnic that was not a joy? And a crowd of any age that could not have a good time in lovely Orange County Park would deserve to be cut off from picnic privileges forever. Two or three hundred people joined in the

pleasures of the day, the younger members of the school making the trip to the park in hay wagons and older ones going in automobiles and carriages.

At Mrs. Rowlands

Mrs. J. B. Rowland pleasantly entertained the local chapter of the American Woman's League yesterday. Plans were made for the entertainment of Fullerton and Orange chapters on June 4 at the armory in Santa Ana. After the business session a social hour was enjoyed. The ladies chatted over their needlework and the hostess served most delicious refreshments.

A Fine Program

At the regular meeting last night of the Fraternal Brotherhood there was a big turnout of members. Those who failed to attend missed the time of their lives for the committee had arranged one of the best of programs. It consisted of nine numbers, after which refreshments of ice cream and cake were served in the banquet room. Next Friday night the Brotherhood will give their regular monthly dance. The program consisted of an instrumental solo by Miss Baily and Sidney Perlus; recitations by Miss Cully, Jas. W. Ryan, Mrs. Tracy, and W. F. Heathman; instrumental duet by Mrs. and Miss Smith, and a vocal solo by Miss Cora Belt.

Attention, W. C. T. U.

The members of the W.C.T.U. are requested to meet at the First Christian church on Monday morning at 10 o'clock to attend the funeral of Mrs. E. L. Stroppe.

The members will each bring a white carnation or white flower, and will be seated together in the church in a body.

Personals

Mrs. Janie F. Bennett of Sonora, grand president of the Rebekah Assembly, arrived yesterday afternoon to be the guest of Mrs. B. Uttley and Mrs. George Prather until next Monday, when she will go to Los Angeles where she will preside at the Grand Rebekah Assembly convention to be held there.

Miss Luina Yarnell went to Los Angeles this morning to visit her cousin, Miss Jennie Scheurer. They will attend "The Red Widow" matinee this afternoon, going to Long Beach later to spend tonight and tomorrow with Mrs. Jack Hall.

Mrs. C. M. Knox came down yesterday from Los Angeles to attend Mrs. J. I. Clark's bridge luncheon. She was joined in the evening by Mrs. Knox, the two being over night guests of Dr. and Mrs. Clark. They returned to Los Angeles this morning.

Mr. and Mrs. Carey R. Smith returned today from a delightful ten days spent at Arrowhead Hot Springs Hotel.

E. H. Kennedy of Los Angeles, business manager of the big Bonner Fruit Company at Lankershim, motored down from the city this afternoon bringing with him Mr. and Mrs. Clarence Kennedy of Lankershim, and Mr. and Mrs. Hoyt Hall of Los Angeles. The party will remain over Sunday as the guests of relatives.

Mrs. Emory Kattelle is the chaperone of a house party of ten girls at Jalisco today and tomorrow. Among the members of the party were Misses Alice and Lena Cranston. I. W. Howarth, formerly of Santa Ana, now connected with the State University at Berkeley, is on a tour of inspection of the high schools of Southern California. Prof. Howarth has been in Santa Ana the past two days and during his stop here was the guest of Mrs. E. D. Cooke, on East First street.

MOTHER'S DAY AND THE WHITE CARNATION

Tomorrow is Mother's Day and every man is expected to wear a white carnation in honor of his mother. Here's to the white carnation, lads, Pin it on mother's breast!

It gleams not fairer than the soul, We know on earth the best.

In all the garden of the earth, Where souls as flowers bloom, And thoughts breathe incense on the air.

And deeds exhale perfume, There's not a flower in all the land, But it father, sister, brother, But pays its just obedience To the white flower of the mother.

Some used to run down Attie's course,

As wild steeds from a corral That each successful runner wear Upon his brow the laurel, Mid Scotland's rugged crags and hills.

Where souls with courage bristle, Brave soldiers court unwelcome death In following the thistle. But in this land where freedom holds, Strong brothers in one nation, We deem our mothers chief of all, Who wear the white carnation.

So, lads, we pledge our mothers' lives White aims that shall not shame them.

And live with purposes so pure, Our deeds may never grieve them. Though some have passed away from earth, Their memories still nerve us, Today we kiss this sacred flower, In honor of their service.

Could they but speak to us today, Their prayer, of all creation, Would be for us, "the stainless life, Or this fair white carnation!" —Rev. John W. Holland.

HIGH SCHOOL NOTES

A number of declamatory try-outs have been held in the local high school recently. They have been, in the main, preliminary to the Orange county forensic contest which takes place at Fullerton on May 31. In the declamatory try-out held some time ago, Paul Schooley was selected to represent the school with an oration: "The Spirit of California."

Last week three more try-outs were arranged. The first was the sophomore story contest which was won by Norma Wingood with an original narrative entitled "A Piece of Old China." Stanley Mansur was awarded second place. The second contest was the declamations for the freshmen. Out of the large number entered, Cecil Fross, with a selection from "Helene Thorne" and Ruth Kohler, were given first and second honors, respectively. The last trial was for the selection of the junior representatives. The fortunate ones were Margaret Roy with an essay on "Jane Addams" and Maurice McElree, in the order named.

The cast of "The Man From Home" is making excellent progress under the efficient management of Ernest Crozier Phillips. The play is a four act comedy and is rather difficult in its presentation, but from all present indications it will be ably handled when put on the stage in June.

The annual boys' tennis tournament is being played off. The first game was played May 2 and the finals will come May 15. About fifty boys are taking part in the games.

On May 29 comes the Los Angeles city oratorical contest in which the high school of the Angel City will take part. Sophie Hardy as the winner of the Southern California Inter-urban League contest, will represent Santa Ana in this contest for the championship of Southern California.

The tickets for the June commencement number of the Ariel will be put on sale about next week. Work is progressing rapidly on the publication.

If their practice next week does not prove too great a hardship the schoolmasters of the city will try to show the seniors how to play baseball. The game is scheduled for next Saturday afternoon.

Prof. Howard, inspector of schools from the University of California, spoke to the students of the high school yesterday morning. The speaker's talk was of double interest in that he once was the principal of the high school in Santa Ana. The time was some twenty years ago, when the old Central school building was used for high school purposes.

HONOR PAID TO MEMORY OF SCHURZ

One of Most Imposing Military
Parades Ever Seen in New
York Turned Out

Schurz Has Been Declared as
Greatest German-Born Citi-
zen of United States

NEW YORK, May 10.—Federal and state troops turned out here today to pay honor to the memory of Major-General Carl Schurz, editor, statesman, publicist and soldier. The occasion was the unveiling of a monument to the man who has been called the greatest German-born citizen of the United States. A parade of five divisions composed of the Veteran Corps of Artillery, Captain Charles Elliott Warren commanding, made up one of the most imposing military displays which has ever turned out in New York to honor the memory of any man who has held an office lower than that of President of the United States. Detachments of various posts of the Grand Army formed a guard of honor at the reviewing stand where the mayor of New York reviewed the troops.

Carl Schurz, in whose memory the statue unveiled today was erected, was one of the most picturesque as well as one of the most highly honored German-Americans in the United States. He achieved in turn, the United States senate as a member from Missouri, the President's cabinet, which is as high, officially, as a man not a native can aspire, and the representative of this country to the court of Spain. Born in Cologne March 2, 1829, he studied in the schools of his native city and later graduated from the University of Bonn. In 1848 he joined the revolutionists and when the movement failed, fled to Switzerland. Later he went to Paris and then London as a newspaper correspondent. In London he married Miss Margaret Meyer of Hamburg. Becoming interested in abolition in America he came here in 1852, settling in Watertown, Wis., where he established a newspaper. Being de-

feated for lieutenant governor he entered the legislature. He was appointed minister to Spain in 1861, resigning the post in 1861 to join the Union army as a private. He rose to brigadier-general and then to major-general for his work in the battles of Gettysburg, Chancellorsville and Bull Run. After the war he became Washington correspondent for the New York Tribune. After a year he went to Detroit where he founded the Post in 1867 he founded the Westliche Post, which is today the leading German publication in the west, with Emil Preetorius, dean of German-American journalists. Schurz was temporary chairman of the Republican national convention in Chicago in 1868 and served as United States senator from Missouri from 1869 to 1875. He was secretary of the interior from 1877 to 1881. In 1872 Schurz took a leading part in the organization of the short-lived Liberal party, and was chairman of the convention which nominated Horace Greeley for president.

In 1881 Schurz went to New York and for three years was editor of the Evening Post. He retired in 1898 to devote his time to literature. His autobiography was running in a current magazine at the time of his death. For his literary work he was made an L.L.D. by Harvard and the University of Missouri. Tall and sparely built, Carl Schurz was one of the most striking figures of his time. His iron gray hair and square cut beard and large black rimmed eye glasses, attached to a broad black ribbon, gave him a scholarly look, and he always attracted attention from those who passed him in Park Row or Fifth avenue. The man's character can best be understood by two favorite sayings of Schurz:

"There is nothing within the range of human possibility that any man cannot do if he puts his mind to it. No normal man is handicapped; if he has a brain at all, no matter what his place of birth, he can get anywhere he wants to if he applies himself."

EAST NEWPORT NEWS BUDGET

EAST NEWPORT, May 10.—Mr. and Mrs. C. L. Lahm and children arrived from Los Angeles the early part of the week, and will spend the month of May at East Newport. They are occupying a cottage on Central avenue.

—A man living at Auburn, New York, had a severe attack of kidney and bladder trouble. Being a working man, not wanting to lose time, nor run up a heavy doctor's bill, he cured himself completely by using Foley Kidney Pills. A year later he says: "It is a pleasure to report that the cure was permanent." He has had no return whatever of the pain, backache and burning. His name is J. A. Farmer, and he says: "Of course I recommend Foley Kidney Pills as a very effective cure for kidney and bladder trouble." Rowley Drug Co., White Cross Drug Co.—Advertisement.

For the Weak and Nervous
Tired-out, weak, nervous men and women would feel ambitious, energetic, full of life and always have a good appetite, if they would take this medicine. Nothing better for the stomach, liver or kidneys. Thousands say they owe their lives to this wonderful home remedy. Mrs. O. Rhinevault, of Vestal Center, N. Y., says: "I regard Electric Bitters as one of the greatest of gifts. I can never forget what it has done for me." Get a bottle yourself and see what a difference it will make in your health. Only 50c and \$1.00. Recommended by all druggists.—Advertisement.

NOTICE OF CLOSING
—Horseshoeing, blacksmithing and wagon repair shops will close Saturday noon, May 3, and thereafter because of the heat of the season. Customers are asked to be prepared, because there will be no shops open. Per blacksmiths' agreement.

REMOVAL NOTICE
—Dr. J. H. Pullin has moved from 418 West Fifth street to his new veterinary establishment at 412 North Birch street.

Investment Certificates

Backed by a Strong Company

Money at interest is the foundation of wealth. The sooner you begin to invest your savings or surplus funds where they will grow, the sooner you will achieve independence.

We have devised a plan of investment which combines convenience with absolute safety, and which insures 6 per cent interest on every dollar deposited with us.

The plan provides "Investment Certificates," which are issued in any amount desired, and upon which the interest is paid quarterly. This form of investment enables a person to place idle funds on a substantial earning basis; with the privilege of withdrawing same at any time by giving reasonable notice of such intention, without loss of interest or principal.

The sum invested and the interest are guaranteed; and to back this guarantee, the company pledges its entire resources.

The Guarantee Building & Investment Company is a corporation, doing business under the laws of California. The Company has published an interesting booklet showing the scope of its Real Estate, Building and Investment operations in Los Angeles and vicinity. A copy of this booklet will be mailed upon request.

Opportunity Is Ever Present

In a sense every man regards New Year's day as a new beginning in his life. But every day, every hour, holds this opportunity for every man; namely, that if he has failed up to that moment he may at that moment begin anew. The opportunity to resolve to begin anew is present. How to begin may not be apparent, but rest assured that to every man and woman resolved to do his best, opportunity will come. Perhaps it will come all the quicker if sought. There is no greater untruth lying around as a stumbling stone in the world today than the statement that opportunity comes but once.

Of course opportunity for material success—money opportunity—is not the highest form of opportunity, but it is a mighty good opportunity to embrace. Save your money, open an account with this bank and be ready for any and every opportunity that comes your way.

Springtime!

In the upper Yucaipa Valley brings millions of apple and cherry blossoms, promise of a big crop this year. On account of the 3000 foot altitude the Yucaipa spring comes a few weeks later than in the low lands, and this prevents all damage from late frosts. There are no crop failures in Yucaipa. Even this year you may see the finest barley in Southern California in the upper valley. The eight hundred acres of trees set this spring are already putting forth and the three-year-old trees are full of blossoms. Now is a good time to see this evergreen valley, and the finest development in Southern California and the best opportunity to make money. The very finest kind of land, under irrigation, sold on easy terms, with domestic and irrigating water, and electricity right on the spot, in a fast growing, up-to-date community, at astonishingly low price per acre. And the climate, cool in summer, warm in winter, no destructive winds, no fogs, protected from desert winds by the high San Bernadino mountains. Fine nearby market for all products. Churches, schools, library, newspaper, electric light, good roads, hotel, stores, free delivery, water works, telephones, and automobile service all over the valley. Go up and put in a surface crop this season. We make trips every week, by automobile, or rail road. One day trips and you see it all. Only 64 miles from Santa Ana. Call us on the phone and arrange to go. 970W.

NOTICE

To Dealers in Machinery for Handling Gravel and Sand and for Crushing

The Board of Supervisors of Orange County will receive bids, accompanied by complete plans and specifications, for furnishing and installing equipment for the operation of a gravel pit, consisting of belt conveyor, bucket elevator, rotary screen and rock crusher.

Bids therefore must be on file with the Clerk of the Board of Supervisors on or before 2:00 p. m. of the 29th day of May, 1913, at which time they will be publicly opened and read.

The operating capacity of the equipment shall be 300 cubic yards of material per day of eight hours.

The plant will be located in Santiago Creek at the crossing of the Tustin Branch of the Southern Pacific Railroad, approximately two miles east of Orange. Copies of "Instructions to Bidders" and general specifications may be obtained at the office of the Orange County Highway Commission in the Court House, Santa Ana, and in the office of the Clerk of the Board of Supervisors.

A certified check for ten per cent of the amount of the bid, made payable to the County of Orange, must accompany each bid, as a guarantee that if the bid is accepted, a contract will be entered into in conformity with the bid, the instructions to bidders, and the general specifications above referred to.

The successful bidder will be required to file two bonds, with sureties satisfactory to the Board of Supervisors; one for the amount of 25 per cent of the contract price, as a guarantee of faithful performance of the contract, and a second bond in the amount of 50 per cent of the amount of the contract, as a guarantee of the payment of claims for materials or supplies used or labor employed in the execution of the work.

By order of the Board of Supervisors of Orange County, made this 7th day of May, 1913.

W. B. WILLIAMS, County Clerk.

THE COURT
SLATEDismissal Judgments Entered
Into Yesterday In Two Sugar
Factory Suits

Yesterday afternoon judgments for dismissal were entered in the two sugar factory suits that have been dragging along in the superior court for the last three years and a half. According to the judgments, no money judgment is given further than that each side pays its own costs.

It was Nov. 1, 1909, that H. S. Hadsall, promoter of the Southern California Sugar Co., brought suit against the Case, Hinz Co. for \$11,000, alleging that \$57,500 was due him and \$27,500 was due James Irvin, each as a quarter of the profit of the erection of the sugar factory and its sale to the Southern California Sugar Co. On Jan. 7, 1910, Frank Monaghan, as a stockholder, brought suit against the Case, Hinz Co. and the Southern California Sugar Co. to rescind the acceptance of the factory from the Case, Hinz Co., asking that certain changes be made in the factory before acceptance.

affidavits and a dozen other papers known to procedure were filed in the case in the months that it was in court. Two or three times it was set for trial only to be re-set. Yesterday Hadsall and Monaghan were here, and before the day was over with the judgments dismissing both cases were filed, signed by Attorneys Scarborough & Forgy and Williams & Rutan for the plaintiffs and F. O. Daniel and Hunsaker & Brill for the defendants.

Quiet Title
H. E. Lyon has brought suit against Mrs. L. E. Drago to quiet title to a lot on Balboa Island. I. W. Walker of Los Angeles is the plaintiff's attorney.

Divorce Matters
A divorce action brought in San Luis Obispo county by Louise G. Edgar against Robert Edgar of Santa Ana has been transferred from San Luis Obispo county to this county. J. K. Burne is attorney for the plaintiff and H. C. Head for the defendant.

A final decree of divorce has been given Margaret Carrizosa from Santos Carrizosa of Anaheim.

By the interlocutory decree of divorce given Edith E. Rogers against William M. Rogers, the plaintiff assumes her maiden name, Edith E. Lewey.

Attachment Case
Attachment has been recorded on lot 14, Golden State tract No. 2, in an action for \$125 brought by the Southern County Bank of Anaheim against Horace E. Hand and others.

Money Is Paid
Today the Southern California Sugar Co. paid the judgment entered against it in the damage suit brought by John E. Trembley, a minor, for an injury to his foot while at work in the sugar factory. The amount paid was \$1000, the amount of damages fixed by the jury, and \$82.65 costs.

Put on Probation
Kenneth Morse of La Habra, who with two girls and a boy went on a joy-ride to San Diego and El Centro in an automobile belonging to O. L. Baldwin, a neighbor, was placed on probation by Judge West yesterday. The others concerned in the escapade were already on probation.

Will Is Filed
The will of Jacob Timken, who died at Olive on April 29, was filed for probate today. The estate is valued at \$2200, and under the will goes to children and grandchildren of Timken.

SCHOOLMASTERS OF

IN THE JUSTICE COURT

NO-FUND CHECK
BRINGS HIS
ARREST

Man Who Used to Have Store
at Placentia, In County Jail
on Felony Warrant

A. L. Thompson, formerly a storekeeper at Placentia, was arrested in Los Angeles yesterday by Deputy Sheriff Oliver Schumacher of Placentia and was brought to the county jail here. Thompson is charged with giving a no-fund check for \$22 on April 1. It was drawn on the Placentia National Bank and was given to George Gotsis.

Thompson was in Justice Cox's court this morning and his preliminary examination was set for May 14.

Found Not Guilty
Justice Cox this morning rendered a verdict of not guilty in the case of Henry Davis, charged with cruelly beating his stepson, Edward Warnken, aged 12. The evidence failed to show the specific beating alleged. The man had a razor-strop in his hand when he was seen on the street sending his stepson to school, but the boy and his sister testified that he was not struck with it. Davis testified that one of his neighbors on one occasion threatened to knock him down if he struck the boy.

C. C. LYPPE KILLED
AT ALVORD STATION

Los Angeles Examiner: C. C. Lypps, a well-known contractor, widely known throughout the Santa Ana valley and in Los Angeles, was instantly killed yesterday afternoon at Alvord when a Santa Fe train struck the automobile in which he and his wife were riding. Mrs. Lypps was only slightly injured. The first persons to reach the place after the collision found Mrs. Lypps holding her dead husband's head in her lap.

Alvord is a flag station between Riverside and Corona and at this point a number of box cars were standing on the siding. In approaching the crossing, Lypps failed to see the swiftly moving passenger train because the box cars were in the way. The engine struck his machine and threw it fifty feet, wrecking it completely.

Mr. Lypps was 59 years of age, a member of Temescal Lodge of the Masonic order and lived in Los Angeles. The coroner's inquest was held this morning.

SEEK UNIONISM AMENDMENT FOR
IN COAL MINES
OF W. VA.
TARIFF BILL
PROPOSED

Thousands of Miners Meet; Union Recognition Was Issue In Paint Creek Strike
Plan Meets Wilson's Favor; Bill Had Vigorous Reception In the Senate

CHARLESTOWN, W. Va., May 10.—Unionism in the New River coal district where five or six thousand miners are employed, was the issue before a convention of miners here today. The operators have asked their employers to act on a new scale of wages and working conditions. United Mine Workers' officials who have been laboring for weeks attempting to make their union all powerful in the district, called the convention and today placed before the men the proposition of demanding from the operators recognition of their union as a condition on which the miners will sign the proposed wage scale.

The same problem, recognition of the union, caused the long and costly strike and subsequent rioting in the Paint Creek and Cabin Creek districts. A state-wide strike for recognition of the union by coal operators has been the talk for months of union leaders. In spite of the settlement accomplished between the Paint Creek and Cabin Creek miners and the operators, the employees are said to be fearful that the operators will discriminate in the future against leaders of the strike.

SECRETARY'S CALL
FOR FLOWERS IS
RESPONDED TO

The call of Secretary Metzgar of the local chamber of commerce for roses to be presented to the visiting ladies on the Triangle Trolley trips, has met with a generous response, numbers of baskets of roses being brought in yesterday and today.

The following persons were among those who contributed flowers: Mrs. J. L. Fields, 1422 West Fourth street; Mrs. C. S. Shaw; Mrs. Judge Ballard; roses from the G. A. Edgar place where she is visiting; Miss Laura Jones brought in a fine bouquet of Amaryllis.

An addition to the fruit exhibit was made in the form of a branch containing 62 green Satsuma plums, which were processed and placed on exhibition. The plums were brought in by E. Plummer who lives at 901 South Bristol street.

WASHINGTON, May 10.—A red hot senate fight on the tariff bill was promised today when Randall and Thornton, Louisiana Democrats, announced that they will oppose it if the free sugar and free wool provisions remain intact. Poindexter of Washington, predicted the bill will finally pass with the sugar and wool provisions eliminated. The desertion of the Louisianians apparently gives the Democrats but two majority on the bill. Others, it is predicted, may join the southerners.

Amendment Proposed
WASHINGTON, May 10.—Senator Simmons of North Carolina has proposed to Representative Underwood a radical amendment to the tariff bill which it is stated may receive the President's approval. Simmons would give the secretary of the treasury power to proclaim a fixed standard of values for the assessment of duties, irrespective of price fluctuation of foreign markets, such standards would be in force on fifteen days' notice and could not be changed without sixty days' notice to importers. This amendment is advocated to avoid confusion in the change to the ad valorem system as incorporated in the Underwood bill from the specific system in the Payne bill. The plan is believed to have originated with Assistant Secretary of the Treasury Curtis.

TARIFF BILL CONSIDERATION
IS PUT OFF TILL TUESDAY

The tariff bill was not favorably received on its arrival in the senate late yesterday afternoon. The final outcome was disappointing to the majority leaders and equally gratifying to the Republicans.

The Democrats, who possess a working majority of six, found it impossible to refer the tariff measure to the finance committee without coupling with it instructions to hold public hearings on various features.

Unable to cope with a situation that had not been foreseen, an adjournment was taken until next Tuesday afternoon at 2 o'clock.
